The highest level of severe weather protection available from ABLOY.

ABLOY® SUPER WEATHER PROOF (SWP) padlocks are a locking solution in which the components are extremely well-protected to ensure operation in all conditions. Security is guaranteed, even with regular exposure to extreme heat or cold, storm-driven salt water, or desert dust.

ABLOY® padlocks provides extreme protection against forcing, picking, and vandalism. Case hardened boron steel shackles offer exceptional durability and have successfully passed demanding corrosion tests.

- Can be master-keyed with door cylinders
- Weather seal cap option protects the keyway and cylinder
- Electronic option: combines ABLOY® PROTEC² CLIQ®
