ABLOY  
Padlock 342

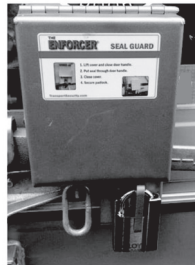

ABLOY  
Padlock 350

All of locks below utilize ABLOY cylinders or padlocks.

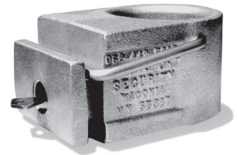

**Adjustable Trailer Lock**  
Protects the back door padlock from tampering. This lock is portable.

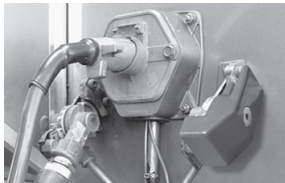

**Seal Guard™ Lock**  
Protects plastic, metal, bolt or cable seals from tampering.

**Trailer Door Hasp Lock**  
Protects side or rear door of trailer.

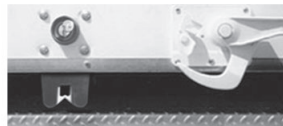

**King Pin Lock**  
Secures dropped trailer.

**Trailer Air Brake Lock**  
Secures the trailer brake lines from unauthorized tampering.

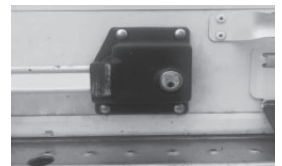

**Landing Gear Lock**  
Covers and locks the landing gear handle.

**Roll Up Door Lock**  
Eliminates driver's time and effort dealing with a padlock on frequent deliveries.

**Air Cuff® Lock**  
Prevents truck and trailer brakes from being released.

**Trailer Door Lock Box**  
Locks trailer keeper handle.
